I . Martin Hanell

The feeling of wreck-diving.  
Mystical, dark atmosphere,  
the lack of light works well.  
Nice composition.

## 2. Patrik Grönqvist

Intense dark framing, skilful lighting. There are several layers in the image, nice perspective.

### 3. Pekka Tuuri

Very bright image, nice lighting and reflection. Red dress gives enough colour.

## Class B3: Normal/wide-angle with diver. Other than Nordic waters

I . Pekka Tuuri

Fabulous photo with high image quality. Unreal atmosphere, it's like the diver is floating in a cloud. Magical place.
